**Notice for Empanelment of Oxygen Cylinder Refilling Service Providers for Haj  
2025 Medical Operations**

The Indian Haj Pilgrims' Office requires oxygen cylinder refilling service for three hospitals and fourteen dispensaries in Makkah Mukarramah during Haj 2025. These services will include refilling of cylinders of different volumes. Additionally, the contacted service providers will be responsible for pick-up and drop-off at the various Indian Medical Centers located in Aziziya, Makkah.

To ensure competitive pricing and quality of service, quotations are being invited from multiple reputed and authorized oxygen cylinder refilling agencies based in Makkah Mukarramah. Interested companies, willing to undertake the required tasks during Haj 2025, should submit their quotations in a sealed envelope to Vice Consul (Haj) at the address mentioned below. These companies will be empaneled, and on each day of requirement, all empaneled providers will be contacted. The company offering the lowest price for that particular day will be assigned the task. On subsequent days, if the service is required, the empanelled companies will be contacted and the company offering the lowest rate for the day will be selected, ensuring the most cost-effective solution each time.

Interested companies based in Makkah Mukarramah willing to do the above work as and when required situation during Haj-2025 at Makkah Mukarramah may submit below mentioned documents in a sealed envelope to Vice Consul (Haj), Consulate General of India, Villa No. 34, behind Saudi National Bank, Tahaliya Street, Jeddah – 20421 by 24.04.2025 before 17:00 hours.
