

## Consulate General of India, Jeddah

### **Mega Mobility show, "Bharat Mobility Global Expo 2024"**

*(Beyond Boundaries: Co-creating Future Automotive Value Chain)*

Highlighting India's expertise in the value chain of mobility sector, the Government of India is organizing a mega event '**Bharat Mobility Global Expo 2024**' from **1- 3 February 2024** at the state-of-the-art, world-class destination and host to the G20, *Bharat Mandapam* at *Pragati Maidan, New Delhi*, across 1,00,000+ sq. meters area. The Bharat Mobility Global Expo 2024 is an industry led and government supported initiative, and is being coordinated by Engineering Export Promotion Council India (EEPC India) with the joint support of various stakeholder industry bodies.

With over **600** exhibitors from **50+** countries, the expo highlights cutting-edge technologies, breakthroughs in mobility, and sustainable solutions. The exhibition is a testament to India's engineering excellence. Featured will be specialized exhibitions such as **Auto show** (including electric & hybrid vehicles), *ACMA Automechanika*, **Large-scale tyre exhibition**, **Urban mobility solutions** (two wheelers/e-bikes, drones, etc.), **EV Infra Pavilion** (including Charging stations and **Battery Tech Pavilion** and other energy sources like **hydrogen**, etc. The event will also feature **13+ conferences**, each dedicated to different aspects of the mobility value chain, with participation from experts from across the globe.

More than **27 leading vehicle manufacturers** are set to unveil new models and electric vehicles, showcasing the automotive industry's steadfast commitment to innovation. Along with vehicle manufacturers, the event will have over **400 auto component manufacturers**, **1000+ brands from 13+ global markets**, displaying their entire range of products, technologies, and services, from supplies to OEMs to the aftermarket. **Countries such as Japan, Germany, Korea, Taiwan and Thailand will have dedicated country pavilions, while there will be additional international participation from USA, Spain, UAE, Russia, Italy, Turkey, Singapore and Belgium.** The event will also see a large participation from major international and Indian **battery manufacturers** and **battery supply chain & recycling companies**.
