

**Consulate General of India
Jeddah**

Public Notice

08 July, 2020

To undertake COVID-related precautions, the consular services rendered by the Consulate have slowed down for a few days. However, all the Indian Passport Application Centers run by M/s VFS Global are functioning as usual. Applicants may approach these centers with prior appointment. Any applicant requiring emergency consular services directly from the Consulate may send an email at passport.jeddah@mea.gov.in along with contact details and supporting documents. Our Consular Officer will revert at the earliest possible. Please have patience as the Consulate is doing everything possible to serve our citizens.
