

ABOUT THE INSTITUTE

The Indian Institute of Foreign Trade (IIFT) was set up in 1963 by the Government of India as an autonomous organization to help professionalize the country's foreign trade management and increase exports by developing human resources, analyzing and disseminating data and conducting research. The Institute visualizes its future role as:

- A catalyst for new ideas, concepts and skills for the internationalization of the economy.
- The primary provider of training and research-based consultancy in the areas of international business, both for the corporate sector, Government and the student's community.
- An institution with proven capability to continuously upgrade its knowledge base with a view to servicing the requirements of the Government, trade and industry through both sponsored and non-sponsored research and consultancy assignment.

The institute's portfolio of long-term programmes is diverse, catering to the requirements of aspiring International Business executives and mid-career professional alike. These are

- PhD Programmes(Management and Economics) at New Delhi and Kolkata.
- Two-year MBA (International Business). New Delhi, Kolkata.
